**The Virtual Office Value Additions
BUSINESS MULTIPLIER SERVICES**

WHO ARE WE?

Address is an aggregator and service provider for virtual office and work spaces across India. We are working with the vision to provide a work environment to the startups and enterprises in their new ventures, by meeting their office requirements without exhausting resources on big, physical infrastructure. Our virtual offices are professional business centers and co working spaces which provide you with amenities like conference room, workstation, internet, cafeteria and much more.

Hence, Address is a one stop solution for all your office requirements and we promise the best Virtual office experience guarantee with a pocket friendly budget.

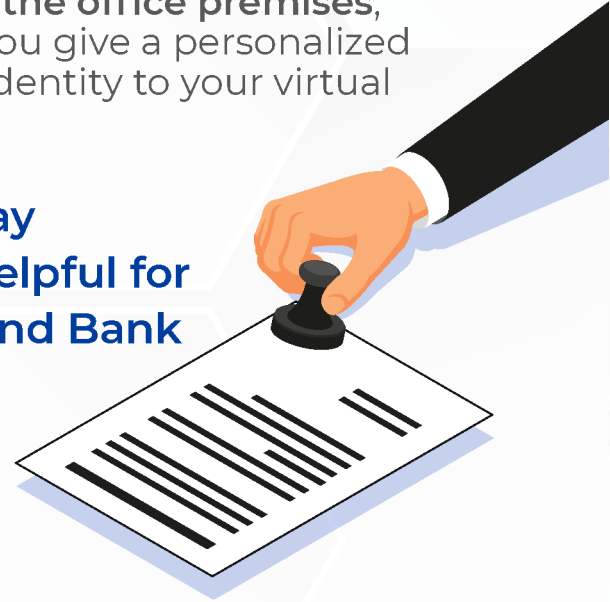

Business Multiplier Services are the services that can add value to your virtual office. These services will help turn a virtual workspace in a **customized unique experience** and will give solutions for the challenges one might face while working remotely, at an affordable cost that won't exhaust the resources.

**BUSINESS
IDENTIFICATION
SERVICES**

Everyone likes to give an identity at their workspace. At Address you can get a **name display at the office premises**, which will help you give a personalized touch and your identity to your virtual office.

This name display service will be helpful for GST/MCA/ROC and Bank Verification.

A desk in the office is an important place for every working individual. We make sure to meet this requirement by allotting you a **Hot Desk**.

This will help you with all the verifications and all Government Related Physical Space Compliances.
